### Rebate Qualification

This program is open to all properties located in Washington County, Utah. However, if City of St. George is your water provider, please visit [sgcity.org](http://sgcity.org) to apply for its rebate. **This rebate cannot be combined with the toilet rebate offered by City of St. George.** This program offers a rebate replacement on older (pre-2000) model toilet with a WaterSense labeled toilet. A list of toilets which qualify for the rebate can be found on the EPA's WaterSense website: <http://www.epa.gov/watersense>. This program will run from July 1, 2014 through June 30, 2017 or until funds are depleted, whichever occurs first. The original meter set date will be used to determine the age of the toilet being replaced, i.e. if the set date is December 31, 1999 or earlier, applicant is eligible for the rebate. For information on WaterSense toilets visit: <http://www.epa.gov/WaterSense/products/toilets.html>

**WCWCD is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and for fixtures that are mislabeled or misrepresented by dealers regarding rebate qualifications.**

### Rebate Limitations and Limitation of damages

Payment of the rebate by WCWCD does not warrant the performance of qualifying/installed replacement toilet and does not guarantee any specified amount of water or cost savings. The customer shall independently evaluate any information related to the qualifying toilet.
