INSTRUCTIONS

Please read carefully before returning the completed form to the District

1. This application is for single-family residential use only (not multi-family).
2. All sections must be complete. If a section is not applicable, fill in with "N/A."
3. All information must be reviewed and accepted by WCWCD.
4. Septic density requirements must be met.
5. If septic density requirements are met, WCWCD will prepare and email (or Applicant can hand deliver) a **Septic Density Letter** to Southwest Utah Public Health Department (SWUPHD) authorizing Applicant to proceed for approval by SWUPHD.
6. Upon issuance of a permit by SWUPHD, WCWCD will issue final certification, subject to the following conditions:
 - a. Copy of SWUPHD permit approval must be provided.
 - b. Applicable fees must be paid
 - c. **WCWCD Petition and Agreement** must be signed.
 - d. All applicable rules and regulations of the WCWCD must be followed.
7. This commitment will be for a one-year period.
8. This fully-executed **Wastewater Application Form and Certification for Onsite Wastewater Systems for Single Lot/Parcel** is taken to Washington County Community Development Department (Planning and Zoning), 197 East Tabernacle, St. George.
9. Applicable forms, studies and materials can be found on the District's website: wcwcd.org.
