## **2020 Classes and Events Announced**

*Practical workshops for water-wise living plus events for the whole family*

The Washington County Water Conservancy District (district) is pleased to announce the classes and events scheduled this year. More than a dozen free classes taught by regional landscaping leaders help residents learn to save water and still have stunning landscapes.

“We hope residents leave classes feeling educated, excited and empowered about their landscapes,” said Julie Gillins, water conservation manager for the district. “Yards can be beautiful and water smart.”

Dates and locations of the district’s family-friendly seasonal and holiday events are also included. The annual Desert Duck Derby kicks off the 2020 events on January 13. And new to this year’s line-up: Spring Fling on May 4.

Visit [www.wcwcd.org](http://www.wcwcd.org) for the full schedule of classes and events.

### ***About Washington County Water Conservancy District***

The Washington County Water Conservancy District is a not-for-profit public agency established in 1962 to manage Southern Utah’s regional water needs. The district oversees the development, stabilization, management, acquisition and conservation of water resources in Washington County in an ongoing effort to provide a safe, reliable water supply for current and future generations. Visit [www.wcwcd.org](http://www.wcwcd.org) for more information.
